A plot and a Villa at the price of a 3BHK Apartment

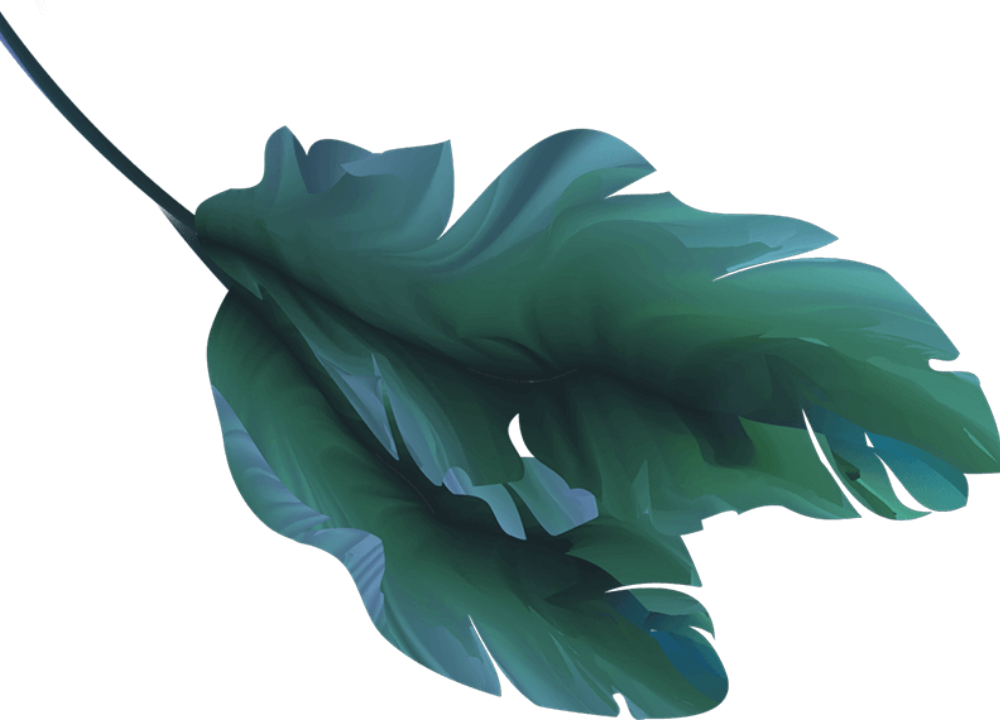

How can I buy a Plot and a Villa at the cost of an apartment?

Do you want to own the land and have the flexibility to customize your home to your exact needs? Consider buying a plot at the right price, and creating your dream villa exactly the way you want it. You'll have the same amount of carpet area as a flat, but with the added bonus of owning the land and having the freedom to customize your home to your exact needs.
